

Draft agenda – NB the order of the talks within each session may change

Ethical issues arising in research with people with mental health conditions

Tuesday 30 November – Thursday 2 December &
Tuesday 7 December – Thursday 9 December

The GFBR will be centred on six core sessions. All sessions will take place at **1:00pm GMT** (8:00am USA EST and Colombia | 1:00pm UK | 3:00pm Lebanon | 4:00pm Kenya | 7:00pm Bangladesh). The first five sessions will comprise plenary presentations, plenary discussion and small breakout group discussion. The sixth session will be a panel discussion of the key themes arising from the Forum.

In addition, optional informal meetings will take place before and after the core sessions, starting at 12pm and 3pm GMT and lasting 45 minutes.

This agenda contains the core sessions only.
